

Love Doesn't Live Here Anymore

Michael Sembello

Noooo!

I don't never wanna, fall in love again
I don't need nobody's, arms to let me in
I'll just end up with a broken heart
When it's over

I don't never wanna, play that game no more
Don't wanna be a soldier, in the tug-of-war
The price is high on the battlefield
For victory, can't you see?

I say love
Love doesn't live here anymore
No more
I say love
Love doesn't live here anymore
No more

I don't never wanna, even up the score
So don't you try callin', or comin' to my door
It's gonna take a lot of time to heal, this time
Ooooh!

I don't never wanna, shed another tear
Love is hallucination, watch it disappear
It's just a drug, and it leaves no mercy
You try to scream, but it's just a dream

I say love (love)
Love doesn't live here anymore
No more
I say love
Love doesn't live here anymore
No more
I say love (baby)
Love doesn't live here anymore
No more
I say love
Love doesn't live here anymore
No more

I can push through the light
As I walk through these empty rooms of heartache
Guess I'll turn out the light
And fade away

I say love
Doesn't live here anymore
I say love
Doesn't live here anymore
Noooo, I say love
Love doesn't live here anymore
(Empty rooms of heartache)
Love doesn't live here - live here, no more
(Love doesn't live here anymore)
(Woah!)

I say love
Love doesn't live here anymore
No more
I say love
Love doesn't live here anymore
