

# Most Sincere Apology

Michael Trent

What would you say  
if I was leaving tomorrow?  
And is it cliché to cry  
or to ask you to borrow  
your car? well I won't go far  
I just need some time  
Away from where you are  
And if you'd be so kind  
I could use some cash  
So I don't run out of gas  
On my way to the city  
Where I will meet you  
and everything's gonna be fine

if you please accept my most sincere apology  
because I'm a wreck but I have endearing qualities oh

oh well been through school once or twice  
on the art of forgiveness  
and I can apologize  
like it's nobody's business  
until yeah I've got it down  
I'll just call you up  
and calm you down  
and all I have to do is let you win  
then you'll take me back again  
it's so easy  
and it's all  
in the way  
that I just say

won't you please accept my most sincere apology  
because I'm a wreck but I have endearing qualities, oh  
oh oh oh

won't you please accept my most sincere apology  
because I'm a wreck but I have endearing qualities

won't you please accept my most sincere apology  
oh yeah, oh yeah, oh oh oh, mmmmmm
