

A Million Lights

Michael W. Smith

A million lights
Hanging on the world tonight
I see them reaching down
Dancing on the evening tide

For You
All the stars are singing
With You
Every day I'm feeling
Alive

A million days
In everyone, I've seen Your face
I know I'll never be alone
Even darkness comes awake

For You
All the stars are singing
With You
Every day I'm feeling
Alive

Ooh, oh-ooh
Oh-oh, oh-oh-oh, ooh, oh-ooh
Ooh, oh-ooh
Oh-oh, oh-oh-oh, ooh, oh-ooh
Ooh, oh-ooh
Oh-oh, oh-oh-oh, ooh, oh-ooh
Ooh, oh-ooh
Oh-oh, oh-oh-oh, ooh, oh-ooh

For You
All the stars are singing
And You
I can feel You reaching
For You
All the stars are singing
With You
Every day I'm feeling
Alive

Ooh, oh-ooh
Oh-oh, oh-oh-oh, ooh, oh-ooh
All the stars are singing
All the stars are singing
Ooh, oh-ooh
Oh-oh, oh-oh-oh, ooh, oh-ooh
Every day I'm feeling
Alive
Ooh, oh-ooh
Oh-oh, oh-oh-oh, ooh, oh-ooh
All the stars are singing (a million lights)
All the stars are singing (a million lights)
All the stars are singing, singing, singing, singing (a million lights)
Oh-oh, oh-oh-oh, ooh, oh-ooh
