

## All Arise

Michael W. Smith

There is only One  
Whose majesty is unending  
There is only One  
The King of Kings, never failing

All, all arise  
At the name  
Of our Savior  
Who is worthy  
You are worthy

There is only One  
He's lifted high for the world to see  
There is only One  
One love alone overwhelms the grave  
Yes, Your love alone overwhelms the grave

All, all arise  
At the name  
Of our Savior  
Who is worthy  
You are worthy

All praise is Yours  
Yours alone  
The almighty  
Who is worthy  
You are worthy

There is power, there is power  
At the sound of Your name, Jesus

At the sound of Your name

All, all arise  
At the name  
Of our Savior  
Who is worthy  
You are worthy

All praise is Yours  
Yours alone  
The almighty  
Who is worthy  
You are worthy
