Christmas Is Here

Michael W. Smith

Ten! Nine! Eight! Seven! Six! Five! Four! Three! Two! One!
Here we go!

The frost is on every window pane
Fires aglow as the night fades
Children laughing all down the lane
The man in the snow has just been made

Ring, ring all the bells
Christmas is here
The spirit it calls you

Sing, sing from your heart
The savior is born
The stories are all true

The tinsel hung on the evergreen
Grateful hearts singing softly
Gifts as far as the eye can see
Snow outside gently falling

Ring, ring all the bells
Christmas is here
The spirit it calls you

Sing, sing from your heart
The savior is born
The stories are true

Ring, ring all the bells
Angels rejoice
Redemption upon us

Sing, sing from your heart
Light of the world
Emmanuel

Ring the bells
The season's upon us
Christ is born
The Light of the world

Come let us tell
(Come, let us sing)
The season's upon us
Come and rejoice
The Light of the world

Come let us tell
(Come, let us sing, here forever)
Come and rejoice
Sing Hallelujah
Hallelujah
Christmas is here
Christmas is here
