

Lux Venit

Michael W. Smith

Lux venit, lux venit, lux venit sur sum corda

Lux venit lux venit, lux venit arise shine for your Light has come.

In grace, in might, the Babe lay in stable stark
Redemption's Light pierces through the shadow's dark

Alleluia

Lux venit, lux venit, lux venit sur sum corda

Lux venit lux venit, lux venit arise shine for your Light has come.

Shine for your Light has come
