

# The One

Michael W. Smith

May every light that glistens  
On every Christmas tree  
May every decoration  
We hang for all to see

May all our old traditions  
We choose to carry on  
The memories we cherish  
Remind us of the One

As we rest together  
Beside the fire's glow  
And read the greatest story  
The one that won't grow old

The joy of Christmas morning  
With family in our home  
And all the children's laughter  
Remind us of the One

Behold, gaze in wonder  
Jesus the promised one  
Hope of glory born to save  
We rejoice this Christmas day

This Christmas we'll remember  
With every song we sing  
With every gift that's given  
And every gift received

This Christmas we'll remember  
The one who came for us  
Love was born, our Savior  
Jesus, God with us

Behold, gaze in wonder  
Jesus the promised one  
Hope of glory born to save  
We rejoice this Christmas day

Behold, gaze in wonder  
Jesus the promised one  
Hope of glory born to save  
We rejoice  
We rejoice on this Christmas day
