

Unsure

Michael W. Smith

People say time will heal
but you know they don't feel what you feel
times are hard...God is good

He sees your tears
He fights your fears

Hold on help is on the way
help is on the way
He said he'd never leave you or forsake you

stay strong help is on the way
he said he'd help you
just reach out and take his hand

He lifts your head...
...always close enough to hear...
When you're weak...
