

Burn

Michal Leah

You shut the blinds
You made me cry
You poured the gas
I shut my eyes
You locked the doors
I asked you why?
You wanted more
And so did I

Giving it all but I can't even look in your eyes your eyes
Wish that I could be enough for you oh but I'm tired
I'm tired

Oh I wanted you to let me in
All you ever did was make it hurt
The words I didn't say to let you win
All it ever did was make it worse
Oooh

You lit the match, I stood there
And I wasn't scared cause
I thought maybe you would let me in
All you ever did was let me burn
You let me
Burn
Burn

I tried to run, I tried to hide
But it's all come down
How could I survive?
I see it now
You're dark inside
You had me then
I just saw light

Giving it all but I can't even look in your eyes your eyes
Wish that I could be enough for you oh but I'm tired
I'm tired

Oh I wanted you to let me in
All you ever did was make it hurt
The words I didn't say to let you win
All it ever did was make it worse
Oooh

You lit the match, I stood there
And I wasn't scared cause
I thought maybe you would let me in
All you ever did was let me burn
You let me
Burn
Burn
You let me
Burn
Burn
