

# Addicted

Michele Morrone

'Cause I'm addicted  
To you  
'Cause I'm addicted to you  
'Cause I'm addicted

You make me feel that I'm so crazy for you  
There she goes again, I'm a puppet for her  
It's been a while, hide and seek we're playing  
Let the Hunger Games begin today

I'm hazy, but I need it  
Give me a piece of your love  
It must be easy see me falling apart  
Oh girl, I need you, I crave you  
Don't play with my head  
Every night, I want you there for me, babe

'Cause I'm addicted  
To you  
'Cause I'm addicted to you  
'Cause I'm addicted (Addicted)

I woke up in this bed alone again (Alone again)  
And I'm walking down the streets to find a way (Find a way)  
I hate it when you can't be part of me  
'Cause I'm addicted to the way you look at me

I'm hazy, but I need it  
Give me a piece of your love  
It must be easy see me falling apart  
Oh girl, I need you, I crave you  
Don't play with my head  
Every night, I want you there for me, babe

'Cause I'm addicted  
To you  
'Cause I'm addicted to you  
'Cause I'm addicted  
'Cause I'm addicted to you  
'Cause I'm addicted
