

BAD GAME

Michele Morrone

Oh!
Oh-no
Oh-oh-uh-uh-uh
Uh, oh-no
Oh-no

It's getting darker today, one more time (oh-oh-uh-uh-uh)
There's only a prayer in my head
That you will never see me again, uh
Anyway, I could cheat to your goodbye (oh-oh-uh-uh-uh)
I can't forget the way you said
There's no space for these insane words

I feel I'm over with this burning sun
I say no more, I was the one to haunt
I was eating all those lies
Even if I wanna walk away
I see you there in every breath I own, there's a spell into my veins

Even if I wanna walk away
I see you sitting there, holding your puppy with your hands
That I remember it was your dream, yeah
Also, this time when I let myself get knocked into your brain
I can't run out of this bad game that I can never see the end

It's getting darker today, one more time (oh-oh-uh-uh-uh)
There's only a prayer in my head
That you will never see me again, uh
Anyway, I could cheat to your goodbye (oh-oh-uh-uh-uh)
I can't forget the way you said
There's no space for these insane words

I don't wanna look at you anymore this time
I don't wanna swim in this mud one more time
I know this shit is gonna make you feel alright
I don't wanna this babe to make me mad
I'm afraid of how I dream of her every night
Tell me where you wanna go with this fake smile

But even if I wanna walk away
I see you sitting there
Holding your puppy with your hands
That I remember it was your dream, yeah
Also, this time when I let myself get knocked into your brain
I can't run out of this bad game
That I can never see the end

It's getting darker today, one more time (oh-oh-uh-uh-uh)
There's only a prayer in my head
That you will never see me again, uh
Anyway, I could cheat to your goodbye (oh-oh-uh-uh-uh)
I can't forget the way you said
There's no space for these insane words
Oh-oh-oh-oh-oh
Whoa-oh-oh-oh-oh
