Double

Michele Morrone

Na-na-na-na-na-na-na, na-na, na-na
Na-na-no-no, na-na-no-no

You can see that I'm a double
When I get into my bubble
You keep pushing on my button, oh
(You say "I don't care", but you care)
You can see that I'm a double
When I get into my bubble
You keep pushing on my button
(You say "I don't care", but you care)

I wanna feel high, when I'm alright
He's trying to melt my brain, and I can't see when he's getting
 outside
I feel like I've tried, this so many times
But when it gets into my veins, I start all this shit again now
I feel this crazy noise, I haven't seen the joy
I look inside this crazy mind and then
I hear my strangled voice, but I don't feel the noise
In all this time you were inside my head

You can see that I'm a double
When I get into my bubble
You keep pushing on my button, oh
(You say "I don't care", but you care)
You can see that I'm a double
When I get into my bubble
You keep pushing on my button
(You say "I don't care", but you care)
