

It's late, we're lost, no one here
Walking somewhere we don't know
Screaming so loud, drinking my tears
I've got drunk in a second

I, I, I, know it's full sometimes
But I, I, I, don't know why
I, I, I, know it's full sometimes
But I, I, I, don't know why

When all this rain fell into stars
When all the freezing starts and break my bones
When all the dark fell into shine
I will be there
I will be there
I will be there

It's sad, I know
And I have to go
I know this isn't real, babe (Unreal, baby)
Tell me you won't scream
When it gets hard
It should never be easy

And I, I, I, know it's full sometimes
But I, I, I, don't know why
I, I, I, know it's full sometimes
But I, I, I can't give up

When all this rain fell into stars
When all the freezing starts and break my bones
When all the dark fell into shine
I will be there
I will be there
I will be there
