

## To Do List

Michele Morrone

Someone said that I'm dead  
But I'm walking on the edge  
But instead, I pretend  
Not to look down on this hell  
I never had  
Time to make a plan  
Outside is gray  
And rain will be my flame

They said I'm dead  
Dating the devil in my heart  
As long as you will make me feel alive

I don't have a to-do list  
I don't have a to-do list  
I don't have a to-do list  
I don't have a to-do list

And I've been drowning all the strangers in my life  
And all this crowd that makes me cry  
And I've been running out of time

They said I'm dead  
Dating the devil in my heart  
And I pretend  
Not to look down in this hell  
They said I'm dead, dead, dead, dead  
They said I'm dead, dead, dead

I don't have a to-do list  
I don't have a to-do list  
I don't have a to-do list  
I don't have a to-do list

I don't have a to-do list  
I don't have a to-do list  
I don't have a to-do list  
I don't have a to-do list
