Drop in the Ocean

Michelle Branch

Love took me by the hand Love took me by surprise Love led me to you And love opened up my eyes

And I was drifting away like a drop in the ocean And now I realize that nothing has been as beautiful As when I saw heaven's skies In your eyes In your eyes

And every time I drift away I lose myself in you And now I see I can be me In everything I do

'Cause I was feeling as small as a drop in the ocean And now I realize that nothing has been as beautiful As when I saw heaven's skies In your eyes In your eyes

Love took me by the hand Love took me by surprise

And I was drifting away like a drop in the ocean And now I've realized that nothing has been as beautiful As when I saw heaven's skies In your eyes In your eyes
