

Getaway

Michelle Branch

Here we go now
dont stop the music

Monday comes like a loaded gun
and I'm trying to escape
Want to run, wanna chase the sun
Let it wash the world away

Looking out on an empty street
Thinking change is what i need
I feel slow, there's an open road
and I need some sweet release

I I I want to getaway, gotta getaway
Going where the road meets the sky
Cause I need a change
Yeah I need a change
Na na na na na na na na na
Na na na na na na na na na

Sleepless nights cause the city lights
Make the moon so hard to see
Take a ride to the other side
Give me room where I can breathe

Shout it out to the breaking dawn
Feel the earth under your feet
Open door what you waiting for
Let the rain come down on me
Na na na na na na na na na
Na na na na na na na na na

I I I wanna get away, gotta get away

Freaky freaky here we go now
Dont stop the music
