I don't know whose side I'm takin'
But I'm not takin' things too well
I can see inside you're achin'
But is it still too early for me to tell?

I try to help you out through the hardest of times Your heart is in your throat and I'm speaking my mind Though it looks as if it's over I'm still not over you

'Cause I still love you like I did before
I know for sure that you still feel the same way I do
If only she knew
Whoa, if only she knew, oh

I try to let it go but I don't know if I can take it 'Cause the way you looked at me Made me see that I can't really fake it

I try to help you out through the hardest of times Your heart is in your throat and I'm speaking my mind Though it looks as if it's over I'm still not over you

'Cause I still love you like I did before
I know for sure that you still feel the same way I do
If only she knew
Whoa

I know she loves you and I can't interfere So I'll just have to sit back and watch my world disappear Whoa

I try to help you out through
the hardest of times
Your heart is in your throat and I'm speaking my mind
Though it looks as if it's over
I'm still not over you
Oh, I'm still not over you

'Cause I still love you like I did before
I know for sure that you still feel the same way I do
Whoa
'Cause I will never ever walk away
I'll find a way
She could never love you like I do
If only she knew
