

Smokes And Feathers

Michelle Branch

Party night in Mississippi,
On the edge of New Orleans,
Someone told me I was pretty,
And we all know where that leads.

He said: "Hey there honey, I would spend good money
On a liquor and a Mojo head!"
"I can see into the future,
And I think I understand!"

Let's go out tonight,
Cause it all amounts to nothing in the end.
We will live and die,
And we're all just smoke and feathers in the wind.

I met a woman drinking Whisky,
Somewhere near of Angeline,
After 3 she tried to kiss me,
And we all know what that means..

She said: "Try this Tonic, it is quite hypnotic,
Yeah I got it from a mess of man.
You will see into the future,
You'll begin to understand!"

Let's go out tonight,
Cause it all amounts to nothing in the end.
We will live and die,
And we're all just smoke and feathers in the wind.

Smoke and feathers
Smoke and feathers in the wind

Had a dream I was a Hippie,
It was 1969,
I woke up and then it hit me,
Life is just a state of mind.

Let's go out tonight,
Cause it all amounts to nothing in the end.
We will live and die,
And we're all just smoke and feathers in the wind.

Take me to the other side,
We're going down

Take me to the other side,
We're going down
