

# Something to Sleep To

Michelle Branch

She's his yellow brick road  
Leading him on  
And letting him go as far  
as she lets him go  
Going down to nowhere

She puts on her make-up  
The same way she did yesterday  
Hoping everything's the same  
But everything has changed

In my mind  
Everything we did was right  
Open your eyes, I'll still be by your side  
How could I ever have been so blind?  
You give me something to sleep to  
at night

He wakes up to the sound  
So scared that she's leaving  
He wishes she were still  
asleep next to him  
Hoping she will change

In my mind  
Everything we did was right  
Open your eyes, I'll still be by your side  
How could I ever have been so blind?  
You give me something to sleep to  
at night

You give me something to sleep to  
And all I know is  
You give me something to dream to when I'm all alone and blue  
Don't leave me now  
Don't leave me now

Don't leave me now  
Don't leave me now  
Don't leave me now  
Don't leave me now  
Don't leave me now  
Don't leave me now

In my mind  
Everything we did was right  
Open your eyes, I'll still be by your side  
How could I ever have been so blind?  
You give me something to sleep to  
Something to sleep to  
Something to sleep to at night
