

# He's Watching Over You

Michelle Tumes

As you lavish in the quiet,  
And you find the peace of silence,  
He's watching over you.

As you labor in the daylight,  
And you find the joy of sunshine,  
He's watching over, over you.  
He's watching over you.

Chorus:  
Feel the wind,  
The breath of Jesus grace.  
See the smile  
Shining from his face.

As you gaze upon his splendour,  
Speak the praises that you render,  
He's watching over you.

As you weep the tears of sorrow,  
And you find hope for tomorrow,  
He's watching over, over you.  
He's watching over you.

Repeat Chorus
