

Fall

Michelle Williams

And we believe where two or three gather in your name (your name)
And so now we live expecting to see God

[Tye Tribbett x2:]

Aye yo
We came through the door looking for a miracle.
So show us who you are.
Lord let your glory for.

Lord anytime you wanna.
So much has happened through this week.
I've had a long one.
The enemy. Yeah, he's been on one.
It's like everyday he's bringing me some drama.
But just when I can't take no more.
You step in and show me I'm yours.
Tonight, come boldly and knowing that this victory here for me.

And we believe, where two or three
Gather in your name (your name)
And so now we live expecting to see the power of God raining here.

[x2]

So, Lord let your glory fall down. I wanna see it fall. (oohhh)
Lord let your glory fall down. We wanna see it fall. (oohhh)

[Tye Tribbett x2:]

Aye yo
We came through the door looking for a miracle.
So show us who you are.
Lord let your glory for.

Everything you have for me.
Healing, favor, let it be.
On earth, Like it's in heaven.
Let it shower down on me, I need your blessings.

And we believe where two or three gather in your name (your name)
And so now we live expecting to see the power of God raining here

[x2]

So, Lord let your glory fall down. I wanna see it fall. (oohhh)
Lord let your glory fall down. We wanna see it fall. (oohhh)

[Lecrae:]

(Hey, Michelle let me holler at them real quick.)
I need your presence.
You want me present.
You never leave no forsakers
You give us plenty blessings.
You know when they say two or three get together your presence is here forever,
but truthfully we know better.
That scripture mean you agree with the discipline
But we tired of getting beat up
Similar to the King
Like Roby, like Martin, Like Christ on that cross

We praying that your glory falls
Lord thank you for your gospel.

And we believe when two or three gather in your name (your name)
And so now we live expecting to see the power of God raining here

[x4]

So, Lord let your glory fall down. I wanna see it fall. (oohhh)
Lord let your glory fall down. We wanna see it fall. (oohhh)

[Tye Tribbett x2:]

Aye yo
We came through the door looking for a miracle.
So show us who you are.
Lord let your glory for.
