Need Your Help

Michelle Williams

YEAH! OH! OH! OH! OH!

Standing in the middle and I don't know which way to go.
I'm looking at my life seeing that I'm at a crossroad.
No one really knows or have seen what I've been through.
So, I'm looking up to heaven cause I know to call on you.

Can you give me direction?
I don't want to go out of your will.
Waiting on a word from you and until you speak I'll just stay here.

[x4] Oh how I need your help. (Oh how I need you)
Oh I need your guidance. (Oh how I need you)
(Needing you everyday)

I won't be impatient for I know you're in control.
Hold my hand and guide me.
You said I'll never be alone. (No, No)
So, calm my mind and ease my heart.
Lord, it's only your word that keeps me going.
Only you can show me.

Can you give me direction?
I don't want to go out of your will.
Waiting on a word from you and until you speak I'll just stay here.

[x4] Oh how I need your help. (Oh how I need you)
Oh I need your guidance. (Oh how I need you)
(Needing you everyday)

Whatever I gotta do, Lord I'm willing.
I made a vow and I mean it.
You know where my heart is. You know I'm totally committed.
So I'm in it for the rest of my life. Cause I heard what's on the oth
er side.
There's gonna be some bad days, but that's okay I'm going all the way
 with your help.

[x4] Oh how I need your help. (Oh how I need you)
Oh I need your guidance. (Oh how I need you)
(I won't make it without you beside me)
(Needing you everyday)

YEAH! OH!

(Needing you everyday)
[x5] Oh how I need your help. (Oh how I need you)
Oh I need your guidance. (Oh how I need you)

[x5] (Needing you everyday)
