

# Better

Michigander

I'm not good at letting go  
I'm not good at letting go  
Of how I feel about you  
Of how I feel about you  
I'm always looking through my phone  
Anytime I feel alone  
And I can't live without you  
No, I can't live without you  
Anymore  
Ooh, ooh, ooh

You're always scared of getting caught  
Always questioning your thoughts  
But you can't hide how you feel  
I wanna know how you feel  
Feels like time is moving quicker, but I'm getting slower  
Guess that's just a part of getting older  
Wish I could look away

'Cause life might be good  
But I wish that it would be better  
Just want to be better  
Want to be better  
'Cause you tried to love me  
And I probably should've let ya  
'Cause things would be better  
Things would be better  
With you

I sideline watching the sunrise  
Traded it for some shut-eye  
I'm not really sleeping these days  
I was lost, I was found  
You were bringing me down  
Just the thought of you it wears me out  
Think I'll stay home tonight

'Cause life might be good  
But I wish that it would be better  
Just want to be better  
Want to be better  
'Cause you tried to love me  
And I probably should've let ya  
'Cause things would be better  
Things would be better  
With you  
(Ooh, ooh)

Well, I'm sorry that things didn't go your way  
But if everything goes sideways  
I'll be there to carry you  
Face your fears  
It's okay if you're feeling scared  
Just know that I will be there  
And you're gonna make it through  
Yeah, you're gonna make it through
