Circles

Michigander

So where do we go from here?
Feels like I'm running in circles
Where do we go from here?

I've been facing all my fears
But I'm running in circles
And facing all my fears

So tell me what, tell me what you want from me
Tell me what, tell me what you want from me
And I would give you anything
To make you my everything

Was there something you wanted to say?
I can see it in your eyes
Was there something you wanted to say?

I should have told you when I remembered
I should have told you back in September
But I, I couldn't see through the rain

So tell me what, tell me what you want from me
Tell me what, tell me what you want from me
And I would give you anything
To make you my everything

So tell me what, tell me what you want from me
Tell me what, tell me what you want from me
And I would give you anything
To make you my everything

'Cause I get lost
But I'm still waiting on you
'Cause I get knocked down
But I'm still waiting on you

'Cause I get lost
But I'm still waiting on you
'Cause I get knocked down
But I'm still waiting on you

So where do we go from here?
Feels like I'm running in circles
Where do we go from here?
