

Ohio Forever

Michigander

Well, I don't know what you're looking for
But I'll try to find it for ya
Ohio's somewhere in between
And a few degrees warmer

You could take all my money
You could waste all my time
You could stab me in the chest
But I'll still be alright with you

Sticking around forever, darling, you
No, you couldn't be any better
Pushing mountains aside when you're on my mind
My feet, they aren't touching the ground
'Cause I want you forever

Sorry it took me so long
To realize that I loved you
I didn't think that I was strong enough
To see it through

You could rip out my heart
You could feed it to the wolves
You could burn me at the stake
But I'll still be cool with you

Sticking around forever, darling, you
No, you couldn't be any better
Pushing mountains aside when you're on my mind
My feet, they aren't touching the ground
'Cause I want you forever

I want you

Sticking around forever, darling, you
No, you couldn't be any better
Pushing mountains aside when you're on my mind
My feet, they aren't touching the ground
'Cause I want you forever

Forever
