Tunnel

Michigander

Where, where you gonna go
If you're not by my side
If you're not by my side

'Cause time has only done me wrong
No it's never done me right
No it's never done me right

(So look in the mirror)
Tell me what you find
(Nothing is clearer)
On the other side
(So look in the mirror)
You're wasting your time

So be the light at the end of the tunnel
Be the ghost inside my dreams
I don't wanna cause you trouble
I just wanna be the one you need

Life, life won't ever come
When your mind is miles away
When you're stuck in future days

'Cause broken down bandwagons line the streets
All the kids are looking for their sanity
Running in a wheel that never gets you anywhere

(So look in the mirror)
Tell me what you find
(Nothing is clearer)
On the other side
(So look in the mirror)
You're wasting my time

So be the light at the end of the tunnel
Be the ghost inside my dreams
I don't wanna cause you trouble
I just wanna be the one you need

So be the light at the end of the tunnel
Be the ghost inside my dreams
I don't wanna cause you trouble
I just wanna be the one you need

Be the light
Be the light
Be the light
Be the light

Be the light
Be the light
Be the light
Be the light
