R: Give me just another night, just another night with you Give me just another kiss, just before the dawn breaks through

'Cause I'm homesick, feel a little down and blue And I'm hurting, hurting baby just like you

C

I was lonely 'til I saw you at the station And I never thought you'd keep our rendevous, baby it's true

Ref: Give me just another night, just another night with you Give me just another kiss, just before the dawn breaks through 'Cause I'm hungry, hungry for your loving baby And I'm thirsty, thirsty for your loving baby.

And a one day pass to heaven is so hard to find ${f c}$

And a one night pass ain't what I really had in mind

C G B F

I need your sweet tenderness

I need your soft caress

I know the day is coming,

G

Don't take away your loving,

F

Can't you see that I'm human

Just because you've seen my face Just because you know ma name I'm a stranger in this town Can't I have my ups and downs? Can't you see that I.m human?

I get hungry, get thirsty
I get moody, I need attention
I need your love 3x
