

Consensual Seduction

Mick Jenkins

I need you to tell me what you want

I can cut the tension in the room with a butter knife

I handle the heat like an oven mitt

I ain't got intentions beyond what you mention

What you want from me?

I can see the little inclinations, look like invitations

More low key with my natural nature

I will be all on that in like three seconds

Flat out patient, no, don't patronize me if I need clarity

I mean unspoken understandings are indeed rarities

I need, you to (Say it out loud!)

And it's Marco Polo until I'm on your wave

Fingers stray, try to handle her, she say oh behave

I oblige, never have to Obi-Wan

Never have to force facts, the vibe in the room is as thick as
a short stack

Still I don't make a move until shorty endorse that

Only portions until she's releasing endorphins

I need you speaking in case I get to tweaking and just seeing d
istortions

My breath start to shorten, I caution my court

And your instruction important to (Say it out loud!)

We can do the waft if you can't more than whisper

I mean I'll be the yin to your yang (Uhh!)

And if you can't let me know that, shorty how you figure?
(Say it out loud!)

I can cut the tension in the room with a butter knife

(Oooh, ahhh)

(Say it out loud!)

(Oooh, ahhh)

Listen as I issue as we come into this space

My voice is a sweet song and it leads you to the right place

If we flip the script we can make our own magic

Listen to the hear me say it now

Sometimes I go on to say stop

And sometimes I go on to say no

Sometimes I ain't gon' want to say dont stop, dont stop, dont s
top

The love we make is in the moment

Changeable like the ocean
