

## Go Time

Mick Jenkins

Work? Fuck you wanna be on the streets talkin' about what you do for, and you ain't doin' it. Fuck you wanna be in the club lookin' like you do somethin' for, and you ain't really do it. Fuck you wanna stand next to a nigga like me that really do it, and you don't do it

The fuck from about me man. Feel me? I think Imma have a beautiful bitch next to me. A nigga all over my fuckin' shit, what you talkin' about, nigga? Man, get the fuck off me man. Write a rap man, or spit a si- go eat or so- go make a beat or somethin'. You niggas lookin' hungry, eat you some...

Hella underrated these days, that shit the worst  
Makes me think back to that Hov line  
The meek shall inherit the earth  
What, You was thinkin' Mr. Carter? nah  
I been singin' like his daughter name  
I heard him talk about the Audemar  
Fuck the watches, I'm just talkin' timing  
Fuck the tactful, I ain't talkin' timid  
Servin' love, we been talkin' tennis  
I ain't even gotta talk advantage  
What's the budget? Now I'm talkin' spanish  
Fuck a nigga tryna talk opinions, I like to deal with the factual  
I like to deal with the actual  
I hear the words, but I like to focus on actions  
Only the real in my faction  
Flushed out the fakes, now we fractions of that  
You know, fuck it, it happens  
Rolled up the gas and walked out the crib like fuck it, fashion  
This ain't nothin' but some trees from last year  
Hit the scheme on my VC niggas  
On the same schemes from last year  
And I'm light years past you

"Seen you bro him up in black Saab, the gold bbs, man  
I said, this nigga, this nigga's really makin this money and he's really makin money, man, You understand?"  
"Ay, it ain't just about the money. It's not. You know what it's about? "
