

Kill Me

Mick Jenkins

What do you want me to do
We never going back Ano Day one
We never going back

Real sins nanatsu no tsumi
Densen no yō meguru machidjū
Can you feel dareka no tsumi
Sasae ga kiete mata hitori ni

Ohh yeah modosenai taimu
Demo raku wa dekinai shoi tsudzukeru
Oh yeah oh yeah
Kimi ni shika iyasenai kono raifu

Bakane uragitteru mata bakane
Sukinahito o kizutsukete
Zaiaku-kan omo sugiru
Nan tte ne
Kattede
3-bu matenai kappu men
Kaita nakama to no rakuen mo nakute
Hitobito wa motomeru 100-ten

Can I talk about real love?
Or you just wanna chill?
Son'na shikaku (shikaku) mo nai ore maruku osamaranai zukei yo
Can I talk about real love?
Or you just wanna chill?
Kono ibitsuna chōkoku maruku kezuru Everyday life
Oh listen

Kill me for all the wrongs that I did to you
We never going back ano Day one
Sukoshi cruel cruel

Just Kill me baby
Just kill me
Tsugunaenunara Just kill me

Just Kill me baby
Just kill me
I owe you something just kill me

What do you want me to do
Know it ain't much I can say
Felt much worse than I'd convey
Those feelings ain't here today
I am starting to feel this drank tho
My words slur
Your Hip's would sway
What is life wit a big ole bankroll
If our love must fade away
You can't trust me anyway
Let me touch you one last time
Teach you how to hold the gun
Load that up blow me away

Kill me for all the wrongs that I did to you
We never going back ano Day One
Sukoshi cruel

Just kill me baby
Just kill me
Tsugunaenunara Just kill me
