

## Another Quarter

Mickey Avalon

Can I get some dope acapella straight through the ghetto  
Come to my crib, make a deal with the devil  
Like heavy metal, with the stiletto  
Carving up kids like my name was Gepetto  
Hello, Dolly the life of the party  
I don't play games 'cause my name ain't Atari  
Sorry Charlie, I crashed your Ferrari  
Black-belt crazy, don't know karate  
Bodyslam your son, I'm the King of the Ring and I swing like a jazz band  
The main man at the hotdog stand  
I'm light on my feet and I've got heavy hands  
Head southbound for a bag of the brown  
If they asked who sent you say Pogo the Clown  
Simmer down when I come around town  
All the Pavlov dogs got locked in the pound

Okay, I did Cali like I'm 2Pac  
I said fuck two cops  
I just fucked my girl like I've got two cocks  
I walked two blocks wearing nothing but a tube sock  
Hit up Mickey A like, "who got the oo-wop?"  
Scoop me up in a droptop  
Now I'm rolling on like it's Woodstock  
Acid in my juice box  
High-C, high as me, Sunny LSD  
It's gonna be a couple pounds if you smoking with me  
Like, faded was the case that they gave me  
Offered my own world, ain't nobody gonna save me  
Smoking in the crib, I've been high since a baby  
And I'm doing drugs that was made in the 80's  
Give me a minute I bet that I could go and change your mind up  
The way that I'm living I bet that I could do this 'til my times up  
Rehab is for quitters so why the fuck would you stop?  
Fuck a quarter I'mma put a pound in the jukebox

Hey, they called me juice box man you know I hit that High-C

Can I get a sniff out the 'sino at the casino  
Stacking more chips than a whorehouse at Reno  
So cover the peephole, don't want a sequel  
Behind death's door, some horrible people  
Bingo, bango, it takes two to tango  
Where in the world is Carmen SanDiego?  
Danny Trejo sitting at my table with the machete he'll cut off your waif's  
Rendezvous at the front of the zoo with Tigger, Piglet and Winnie the Pooh  
What to do up in Kalamazoo?  
Take a shit in your jacuzzi then piss in the pool

Rub-a-dub-duba, straight out the gutter  
If you're looking for a good time, take my number  
Mother, mother, what's for supper?  
Yippee-kiow-ay motherfucker
