

## Bad Luck Billy

Mickey Avalon

Short Skirt Susie never wore no drawers  
She made her money shining hardwood floors  
Evil step-momma always talked that shit  
So she dug a whole and straight buried the bitch  
Long Shot Larry liked to hang at the track  
He never made nothing but he always came back  
A horse named Trouble at the front of the pack  
Larry finally won but had a heart attack

Bad Luck Billy  
Always doing wrong  
But it's alright  
But it's alright  
Bad Luck Billy  
Wasn't that strong  
But he sure could fight  
He sure could fight

Peep Show Petie liked to beat that baton  
And throw his little piggy in the crease of his palm  
He used to stroll the city gripping tight to his badge  
Till they caught him in the alley split his wig with a bat  
And Lipstick Lizzie liked to hand with the guests  
And if a dude spit game she knocked the spit out his mouth  
Late one evening walking back to her whip  
This p\*ssy little coward and held her down with his dick  
Bad Luck Billy  
Always doing wrong  
But it's alright  
But it's alright  
Bad Luck Billy  
Wasn't that strong  
But he sure could fight  
He sure could fight

Truck Stop Tina was a thing of the past  
She gave the best blowjob that I ever done had  
A couple years later I was asking around  
But the word on the street's she's six feet in the ground  
Clean Cut Curtis had a Hollywood dream  
To see his pretty face up on the silver screen  
He bought a bus ticket with his paper route cash  
And became a big star taking it up the ass

Bad Luck Billy  
Always doing wrong  
But it's alright  
But it's alright  
Bad Luck Billy  
Wasn't that strong  
But he sure could fight  
He sure could fight

Bad Luck Billy  
Always doing wrong  
But it's alright  
But it's alright

Bad Luck Billy  
Wasn't that strong  
But he sure could fight  
He sure could fight
