Let's Go

Mickey Avalon

You can tie me down to the railroad tracks
And break my legs with a baseball bat
Let's go, let's go
Throw me off of the Golden Gate
In a straight coat and some rolling skates
Let's go, let's go

Cross my heart (cross my hear)
And hope to die (and hope to die)
Stick a needle (stick a needle)
In my thigh (in my thigh)
I held up a store going wide as a bore with a chain and a big lead pi
pe
Then the clerk pulled a gun and said: "Boy run if you want to keep yo
ur life."
Robbing a bank with a rusty shank and a getaway car in the back
Running from the cops
Heard five or six shots then we ran out of gas

You can tie me down to the railroad tracks
And break my legs with a baseball bat
Let's go, let's go
Throw me off of the Golden Gate
In a straight coat and some rolling skates
Let's go, let's go

London bridge is (London bridge is)
Falling down (falling down)
Spill some gasoline (some gasoline)
And burned it down (burned it down)
Stealing a car for a ride to the bar 'cause I gotta get my fix
But when I got there they tried to cut my hair so I had to flip a bit
ch
Still trying to cop me a bag of the rocks and this punk tried to stea
l my dough
I was ready to die, looked him dead in the eye and I said "Motherfuck
er let's go."

You can tie me down to the railroad tracks
And break my legs with a baseball bat
Let's go, let's go
Throw me off of the Golden Gate
In a straight coat and some rolling skates
Let's go, let's go

You can tie me down to the railroad tracks
And break my legs with a baseball bat
Let's go, let's go
