

# One Night Stand

Mickey Avalon

One night stand  
I wanna have a  
One night stand  
Can we have a  
One night stand  
I wanna have a  
One night stand

You can call me, Mickey you can call me the Ave  
There ain't another better with a pen and a pad  
If you're looking for some action, I can be that  
And give you satisfaction while lying on your back  
I got a big rig 18 wheels chromed out to the gills  
I don't slow down my tank is filled  
Screaming bloody murder from the top of the hill  
You got a problem that I know I can fix  
I solve all them problems with my dick  
And they constantly need to be fixed  
Like the super in your building bitch

Girl let me get your number  
I wanna be your lover  
Underneath the covers  
Then run away

One night stand  
I wanna have a  
One night stand  
Can we have a  
One night stand  
I wanna have a  
One night stand

You can call me filthy, but then call me a cab  
I'm coming to your city like a dick in the ass  
If you're looking for some trouble  
The Ave's up to bat  
Triple up the middle and a double outback  
I got a tugboat speed of light cutthroat  
Read my rights. I won't slow down to live my life  
Dancing like a banshee while I'm hitting the pipe  
You got a problem that I know I can fix  
Cuz I'm God's son on the crucifix  
And I constantly bleed your sins like a killer in the wilderness bitch

Girl let me get your number  
I wanna be your lover  
Underneath the covers  
Then run away

One night stand  
I wanna have a  
One night stand  
Can we have a  
One night stand  
I wanna have a  
One night stand

One night stand  
I wanna have a  
One night stand  
Can we have a  
One night stand  
I wanna have a  
One night stand

Girl let me get your number  
I wanna be your lover  
Underneath the covers  
What can I say  
Girl let me get your number  
I wanna be your lover  
Underneath the covers  
Then run away

"We're sorry the number you have dialed is not in service at this time."
