

# Shooting Up

Mickey Avalon

While Slick was on stage, spittin' Slick Rick's La Di Da Di  
I was shootin' up in the motherfucking Porta Potty  
I was shootin' up in the motherfucking Porta Potty  
Shoot-shootin' up in the motherfucking Porta Potty  
While Slick was on stage, spittin' Slick Rick's La Di Da Di

Open up the dough for the life of the party  
And put your drugs inside my body  
I spend my time turnin' good girls naughty  
Adelia to Ali and I'm doin' it for Johnny  
Touch it, taste it, grab it, got it  
Take that pole stick out my pocket  
Lick it like a piece of chocolate  
Choppin' diva, Davy Crockett

While Slick was on stage, spittin' Slick Rick's La Di Da Di  
I was shootin' up in the motherfucking Porta Potty

Step into the light 'cause here comes Mickey  
Lonely buzzer loser from the inner-city  
Beggars can't choose so I aren't picky  
Suckin' sour milk out of life's tough titty  
Kiss it, tongue it, just don't bite it  
Why not? Willy, the penis hybrid  
Work it like a fighter pilot  
Donna, Mazonna, strict dick diet

While Slick was on stage, spittin' Slick Rick's La Di Da Di  
I was shootin' up in the motherfucking Porta Potty

Jump into my car, girl, let's get nasty  
Lick that ass and call me lassy  
Long and lean and mean and scrappy  
But sweeter than the stick of Laffy Taffy  
If you break it, you don't own it  
You don't wanna be my opponent  
Poke it, choke it, stroke it, bone it  
Eat it like a jelly donut

While Slick was on stage, spittin' Slick Rick's La Di Da Di  
I was shootin' up in the motherfucking Porta Potty
