

# Stick It to You

Mickey Avalon

I'm gonna stick it to you if you want it  
If you need it, come and get it  
I'm gonna stick it to you if you want it  
If you need it, come and get it  
I'm gonna stick it to you if you want it  
If you need it, come and get it  
I'm gonna stick it to you if you want it  
If you need it, come and get it  
I'm gonna stick it to you

Get tracy, peeling off your pasties  
Clowning around like I'm John Wayne Gacy  
Throwing up in a cup in the basement  
Blacked out, getting white girl wasted  
Poster boy, unemployment mascot  
Posted up, cluck-cluck at the crack spot  
Sunbathing on the sunset strip  
I used to panhandle now I sell my dick

I'm gonna stick it to you if you want it  
If you need it, come and get it  
I'm gonna stick it to you if you want it  
If you need it, come and get it  
I'm gonna stick it to you if you want it  
If you need it, come and get it  
I'm gonna stick it to you if you want it  
If you need it, come and get it  
I'm gonna stick it to you

Count base, based out crazy  
Shoplifting fishnet stockings at Macy's  
Jet baby, in my Mercedes  
Don't blame me, blame the losers who raised me  
Lady boy in some latex gloves  
Laying out on the bare skin run  
Hanging out with misfits and thugs is the kid that sold candy 'til I  
learned to sell drugs

I'm gonna stick it to you if you want it  
If you need it, come and get it  
I'm gonna stick it to you if you want it  
If you need it, come and get it  
I'm gonna stick it to you if you want it  
If you need it, come and get it  
I'm gonna stick it to you if you want it  
If you need it, come and get it  
I'm gonna stick it to you
