

## Two Time Loser

Mickey Avalon

I'm a two time loser and a three time cheat  
A no good boozier and a smoked out tweak  
If you wanna know just what makes me tick  
Call up Candy and ask the bitch

I write my rhymes in white shoe polish  
Learn to read with Hooked on Phonics  
Pop's died broke, alone, with jaundice  
So Mom's taught me bought hydroponics  
Got the rat skinned coat but I trap that beaver  
Oscar Mayer paid to see my Weiner  
I used to get touched by my P.E. teacher  
But now I spit heat through stolen speakers

I'm a two time loser and a three time cheat  
A no good boozier and a smoked out tweak  
If you wanna know just what makes me tick  
Call up Candy and ask the bitch

My car don't start but I still get in it  
To smoke some sticks and eat my spinach  
The shock therapy done left me skittish  
I'm a schmuck and a putz, please excuse my Yiddish  
My credit card's maxed but I still use it  
To crush that coke to gangster music  
My cellphone screen's so smashed it's useless  
Put me in a straight coat I'm 'bout to lose it

I'm a two time loser and a three time cheat  
A no good boozier and a smoked out tweak  
If you wanna know just what makes me tick  
Call up Candy and ask the bitch

My crib's so foul that my bitch got rickets  
But she still come through for them conjugal visits  
Selling that sex is a dirty business but my white dick is damn  
delicious  
I owe my landlord 3 years wages so I placed an ad in the yellow  
pages:  
"There ain't nothing that's too outrageous so call me up for se  
xual favours"

I'm a two time loser and a three time cheat  
A no good boozier and a smoked out tweak  
If you wanna know just what makes me tick  
Call up Candy and ask the bitch
