

Woke AF

Mickey Avalon

I wish you woke motherfuckers would go back to sleep
It's retarded how you fags be so PC
I wish you woke motherfuckers would go back to bed
And take a plastic bag and tight it over your head
I wish you woke motherfuckers would go back to sleep
It's retarded how you fags be so PC
I wish you woke motherfuckers would go back to bed
And take a plastic bag and tight it over your head

Another faggot in a maga hat, afraid
And when I say that I ain't rappin' at the gays
And ain't no brothers give a fuck about blackface
Its just you social justice warriors lappin' up the kool-aid
So, blame the Gay Jews who run the game
And the media for feedin' ya fake news all day
USA, USA, you should build a wall around your small puny brain
Now they call Joe Joanie after his sex change
And all the kids shoot up their schools, just like a video game
After the Me Too movement, he moved away
He lost his wife, his kids and his dignity

I wish you woke motherfuckers would go back to sleep
It's retarded how you fags be so PC
I wish you woke motherfuckers would go back to bed
And take a plastic bag and tight it over your head
I wish you woke motherfuckers would go back to sleep
It's retarded how you fags be so PC
I wish you woke motherfuckers would go back to bed
And take a plastic bag and tight it over your head

The bully always wins, cuz he's bigger than you
Wah, wah, wah, am I triggering you?
You should be ashamed being so damn fat
Cuz you're the one to blame just for looking like that
My white privileged ass never got no breaks
From my black drug dealer or the KKK
Grow a pair pussy, or get punched in the face
And I'll send you crawling back to your safe space
Now little Maggie likes to be called Matthew
And they the reason for the gender neutral bathroom
It's the land of the free and the home of the brave not the LGBTQIA

I wish you woke motherfuckers would go back to sleep
It's retarded how you fags be so PC
I wish you woke motherfuckers would go back to bed
And take a plastic bag and tight it over your head
I wish you woke motherfuckers would go back to sleep
It's retarded how you fags be so PC
I wish you woke motherfuckers would go back to bed
And take a plastic bag and tight it over your head
