

ANTIDOTE

Mickey Darling

Bored without me
Lost without me

Antidote
And I don't know where to start
No, no
Don't know where
I don't know where to start
(Yeah, yeah)

'Cause I said
Antidote
And I don't know where to start
No, no
Don't know where
I don't know where to start
(Yeah)
I don't know where to start

Don't know where to start
(Yeah)
Don't know where to start
(Yeah)
Antidote
And I don't know where to start
Antidote
And I don't know where to start

Say it with your chest
Say it with your chest
Who's that other boy sendin' you texts
Gettin' you undressed

I don't wanna
Hear about the rest
But did you let him
Finish on your chest?

As I was saying
I don't wanna flex
I don't wanna flex
I've been having my fair share of sex
Kissing other necks

I'm so sick
Of waiting for your texts
'Cause you're too busy
Giving him some head

Because it's obvious
You think about me
And it's obvious
You're bored without me
And it's obvious
(Bored without me)
'Cause you're so obviously lost without me

And it's obvious
You think about me
And it's obvious
You're bored without me
And it's obvious
(Lost without me)
'Cause you're so obviously lost without me

Because it's not a joke
Not a joke
Until I break your heart
And then you fall apart
And then you key my car

Because it's not a joke
Not a joke
Trying to break my heart
I might just fall apart
Then turn you into art

I don't know where to start
I don't know where to start
(Yeah)
Don't know where to start
(Yeah)
Antidote
And I don't know where to start
No, no
Don't know where
I don't know where to start
(Yeah)
