

# IS THAT SO WRONG?

Mickey Darling

I lick the sweat off her back just for a nicotine buzz  
She says she don't want me back but she'll still fuck me for fun  
And honestly that's too bad 'cause I think that I'm in love  
I'm in love but did you mean to break my

Heart like that? Break my heart like that?  
Oh no, how could you just take it  
All right back, take it all right back  
Fuck you, can't believe I'm fucking

Drunk and paranoid  
And so goddamn annoyed  
At all those fucking boys  
That use you as a quick fuck

All I want is you, is that so wrong, so wrong? (so wrong)  
All I was to you is a quick fuck, quick fuck (quick fuck)  
All I want is you, is that so wrong, so wrong? (so wrong)  
All you fucking do is fuck your wand, your wand (your wand)

You said I wasn't your type, but I'm exactly what you asked for  
Now I'm just something you hide as you sit waiting for the encore  
You saw me first, made a move, wasn't your usual thing to do  
You said all I want is you, is that so wrong, so wrong?

I'm so drunk and paranoid  
And so goddamn annoyed  
At all those fucking boys  
That used you as a quick fuck

All I want is you, is that so wrong, so wrong? (So wrong)  
All I was to you is a quick fuck, quick fuck (quick fuck)  
All I want is you, is that so wrong, so wrong? (so wrong)  
All you fucking do is fuck your wand, your wand (your wand)

And now I'm just someone you're used to  
And now you're just something I'm used to  
But now I'm just someone you're used to  
(I'm just a quick fuck [?])  
And now that you're something I'm used to  
(I [?])  
And now you're just someone I'm used to  
(I'm just a piece of meat and you're not vegetarian)  
And now that you're something I'm used to  
(I'm just a charity and you're a sweet Samaritan)

All I want is you, is that so wrong, so wrong? (So wrong)  
All I was to you is a quick fuck, quick fuck (quick fuck)  
All I want is you, is that so wrong, so wrong? (so wrong)  
All you fucking do is fuck your wand, your wand (your wand)
