Pauly D

Mickey Darling

You've been doing lines
Smoking all the time
Tummies bout to blow

Lose your appetite
Satisfy your diet
You'll eat tomorrow

You cry and you whine
When you're out of wine
Such a Scorpio

Tell yourself you're wild
But you're just a child
Learning how to grow

Can you stop your yelling?
I'm getting tired, tired, tired of it
Can you stop your yelling?
I'm getting tired, tired, tired of it

You work nine to five
Just to compromise
Girl, you're such a clone

You just want to fight
I'm not gonna lie
You need to change your tone

Now, you're always tired
And I'm always wired
Drowning in cologne

All the times I lied
Just to satisfy
Everybody knows

Can you stop your yelling?
I'm getting tired, tired, tired of it
Can you stop your yelling?
I'm getting tired, tired, tired of it
Can you stop your yelling?
I'm getting tired, tired, tired of it
Can you stop your yelling?
I'm getting tired, tired, tired of it
