Mickey Darling

You fucking everyone  
Has really fucked me up my love  
This time I'm really done  
But that doesn't mean that we can't fuck

OK, I guess you won  
This heartbreak, yeah it weighs a ton  
Look at what we've become  
Only talk when we need to cum

Let's see, let's see if you fall in love  
With me  
Cause I know you're such a klutz  
I need  
Someone who can shut me up, me up  
Me up, me up up babe

Let's see, let's see if you can keep up  
With me  
I can get a little rough  
I need  
Someone who can fuck me up, me up  
Me up, me up up babe

And I've been drinking every night until I'm sick  
And you say every time I drink I'm such a dick  
But babe did you forget I've always been like this?  
So I don't feel bad, no I don't feel bad

I'm crying for a girl who's never coming back  
When she said that she moved on I almost gagged  
I swear that lately I've been acting like my dad  
Guess that's not so bad, no that's not so bad

Let's see, let's see if you fall in love  
With me  
Cause I know you're such a Klutz  
I need  
Someone who can shut me up, me up  
Me up, me up up babe

Let's see, let's see if you can keep up  
With me  
I can get a little rough  
I need  
Someone who can fuck me up, me up  
Me up, me up up babe

You say you just wanna be friends  
And I'm not mad, bitch I'm livid  
So now I've been fucking all of your friends  
Every night, cause I'm desperate

I know I can be a real piece of shit  
But at least, I admit it  
And when you hear this you're gonna be pissed  
Cause you're such, a fuckin' bitch

Let's see, let's see if you fall in love  
With me  
Cause I know you're such a klutz  
I need  
Someone who can shut me up, me up  
Me up, me up up babe

Let's see, let's see if you can keep up  
With me  
I can get a little rough  
I need  
Someone who can fuck me up, me up  
Me up, me up up babe

Don't tempt me  
I'll leave your heart empty  
Don't tempt me  
I'll leave you with nothing
