

## Pity Party

Mickey Darling

I don't love you anymore lol, that's what she said (that's what she said)

Try to tell me I'm a whore, baby. girl best believe it (best believe it)

Cause' I take pride in all the thighs that I've been in (that I've been in)

And I won't lie I always cry when I finish

Fuck your feelings and fuck what you've been through

Cause' it's my pity party baby

Just this once can we not talk about you

Cause' it's my pity party baby

Fuck what you think and fuck your point of view

Cause' it's my pity party baby

Just this once can we not talk about you?

Cause' it's my pity party baby

You can never break my heart lol, that's what she said (That's what she said)

A girl that always falls apart omg, that's my weakness (that's my weakness)

Cause' I take pride in all the cries that I've witnessed (that I've witnessed)

And I won't lie, I kind of like the feel of it

Fuck your feelings and fuck what you've been through

Cause' it's my pity party baby

Just this once can we not talk about you

Cause' it's my pity party baby

Fuck what you think and fuck your point of view

Cause' it's my pity party baby

Just this once can we not talk about you?

Cause' it's my pity party baby

Frankly, I'm just sick of getting texts from girls that aren't you

And frankly, I'm just sick of getting sex from girls that aren't you

Frankly, I'm just sick of getting left on read by girls like you

Frankly, I'm just sick of getting head from girls that look like you

Fuck your feelings and fuck what you've been through

Cause' it's my pity party baby

Just this once can we not talk about you

Cause' it's my pity party baby

Fuck what you think and fuck your point of view

Cause' it's my pity party baby  
Just this once can we not talk about you?  
Cause' it's my pity party baby
