Even The Bad Times Are Good

Mickey Gilley

There's a chance that your heart misses
The words I try to say with kisses
I don't seem to look as happy as I should
I wouldn't want to live without you
I love everything about you
Yes, even the bad times are good

Your middle name should be perfection
'Cause that's what you are to me
Even in my darkest moment
You make it easier to see
I wouldn't change one thing about you
If I knew that I could
Not, even the bad times are good

You never left me feel mistreated
Your love is all I've ever needed
When I was weak somehow
You always understood
Your not afraid of stormy weather
That's what keeps our love together
Yes, even the bad times are good

Your middle name should be perfection
That's what you are to me
Even in my darkest moments
You make it easier to see
I wouldn't change one thing about you
If I knew that I could
Not even the bad times are good

Yes, even the bad times are good...
