

## How Long

Mickey Gilley

How long has this been going on?  
How long has this been going on?

Well, your friends with their fancy persuasions  
Won't admit that it's part of the scheme  
But I can't help but have my suspicions  
'Cause I ain't quite as dumb as I seem

And you said you were never intending  
To break up our scene in this way  
But there ain't any use in pretending  
'Cause it could happen to us any day

How long has this been going on?  
How long has this been going on?  
How long has this been going on?

All of your friends and their fancy persuasions  
Won't admit that it's part of the scheme  
But I can't help but have my suspicions  
'Cause I ain't quite as dumb as I seem

You said you were never intending  
Break up our scene in this way  
But there ain't any use in pretending (Ooh, ooh)  
It could happen to us any day (Ooh, ooh)

How long has this been going on?  
How long has this been going on?  
How long has this been going on?  
(How long?) Has this been going on? How long?  
(How long?) Has this been going on?  
(How long?) Has this been going on?  
(How long?) Has this been going on?
