

In His Hands

Mickey Gilley

He's got my whole world in his hands
And he's holdin' onto her just as tight as he can
I can't believe what a fool that I am
He's got my whole world in his hands

Too many nights, I left that girl at home
I was thinkin' only of myself
Now, I'm the one that's cryin' here alone
She's in the arms of someone else

He's got my whole world in his hands
And he's holdin' onto her just as tight as he can
I can't believe what a fool that I am
He's got my whole world in his hands

I hope he won't treat her the way that I did
You know she deserve a better shot
I hope he knows just how special that she is
I hope he knows what he's got

I can't believe what a fool that I am
He's got my whole world in his hands
He's got my whole world

He's got my whole world in his hands
And he's holdin' onto her, Lord, just as tight as he can
I can't believe what a fool that I am
My whole world in his hands
He's got my whole world
