When your all alone and blue and the world looks down on you Turn around I'll be following you, when you need someone to car e

And you need a love to share, turn around I'll be following you Turn around I'll be walking behind you, with a love that's true and never ever die

Maybe someday honey you'll see, that this love was meant for on ly me

Turn around I'll be following you,

Turn around I'll be walking behind you, with a love that real a nd never ever die

Maybe someday you're going to see that your love is meant to be for only me

Turn around I'll be following you
