

You Don't Know Me

Mickey Gilley

You give your hand to me and then you say hello
And I can hardly speak, my heart is beating so
And anyone can tell, you think you know me well
But you don't know me

No you don't know the one who dreams of you at night
And longs to kiss your lips and longs to hold you tight
To you I'm just a friend, that's all I've ever been
You don't know me

For I never knew the art of making love
Though my heart aches with love for you
Afraid and shy I let my chance go by
The chance that you might love me too

You give your hand to me and then you say goodbye
I watch you walk away beside that lucky guy
You'll never, never know the one that loves you so
You don't know me

I never knew the art of making love
Though my heart aches with love for you
Afraid and shy I let my chance go by
The chance that you might have loved me too

You give your hand to me and then you say goodbye
I watch you walk away beside that lucky guy
You'll never, never know the one that loves you so
You don't know me

You'll never, never know the one that loves you so
You don't know me
