

My Side Of The Country

Mickey Guyton

We got short beds and tall boys in cowboy boots
We wear Levi's, take slow rides on Sundays too
And at the local beauty shop, y'all know the tea is always hot
Fill your cup, I'll fill you in, just in case you've never been

That's what's going on
On my side of the country
Aw yeah, yeah, yeah
Hey y'all, hey y'all, hey
Go on, make yourself at home
On my side of the country
Aw yeah, yeah, yeah
Hey y'all, hey y'all, hey

We do homemade, sip OJ with cheap champagne
We get sideways in driveways on dropped tailgates
Spending Fridays, spending paychecks, making midnight memories
I'll be honest, if you ask me, it's the only place to be

That's what's going on
On my side of the country
Aw yeah, yeah, yeah
Hey y'all, hey y'all, hey
Go on, make yourself at home
On my side of the country
Aw yeah, yeah, yeah
Hey y'all, hey y'all, hey

Hey y'all, hey y'all, hey
Come on, heel-toe, do-si-do
Yeah, we got country, coast-to-coast
Coast-to-coast
Heel-toe, do-si-do
Being out here's what I love the most
Heel-toe, do-si-do
Yeah, we got country, coast-to-coast
Heel-toe, do-si-do
Being out here's what I love the most

That's what's going on
What's going on
On my side of the country
Aw yeah, yeah, yeah
Hey y'all, hey y'all, hey
Go on, make yourself at home
Make yourself at-
On my side of the country
Aw yeah, yeah, yeah
Hey y'all, hey y'all, hey

Heel-toe, do-si-do
Yeah, we got country, coast-to-coast
Heel-toe, do-si-do
Hey y'all, hey y'all, hey
Heel-toe, do-si-do
Yeah, we got country, coast-to-coast
Heel-toe, do-si-do

Hey y'all, hey y'all, hey
