

Scary Love

Mickey Guyton

I see pictures of my mama hangin' on the wall
She's never looked so happy, and I've never looked so small
Now I'm holdin' you, and I know what they say is true
When a baby's born, that's when a mother's born too
And time starts tickin' and tickin', don't wanna blink, or I'll miss it
I found my reason for livin'

'Cause I've felt it before, but it wasn't like this
Ain't a thing I wouldn't do, ain't a thing I wouldn't give
It's the kind you fall into and never hit the bottom of
It's a scary love
It's a scary love

Drivin' to the store ain't just driving to the store anymore
Don't wanna imagine 'cause anything could happen
I still can't believe just how often my knees hit the floor
God, I feel helpless, but I can't really help it
I'd trade my life in a second to save you, there ain't no question
Yeah, it's a curse, it's a blessin', blessin'

'Cause I've felt it before but it wasn't like this
Ain't a thing I wouldn't do, ain't a thing I wouldn't give
It's the kind you fall into and never hit the bottom of
It's a scary love
It's a scary love

Can't wait to watch you grow up
No, I've never wanted anything more
But I know it's gonna kill me
Watchin' you walk out that door

I've felt it before, but it wasn't like this
Ain't a thing I wouldn't do, ain't a thing I wouldn't give
It's the kind you fall into and never hit the bottom of
Yeah, it's a scary love
